# FIND EMPLOYERS

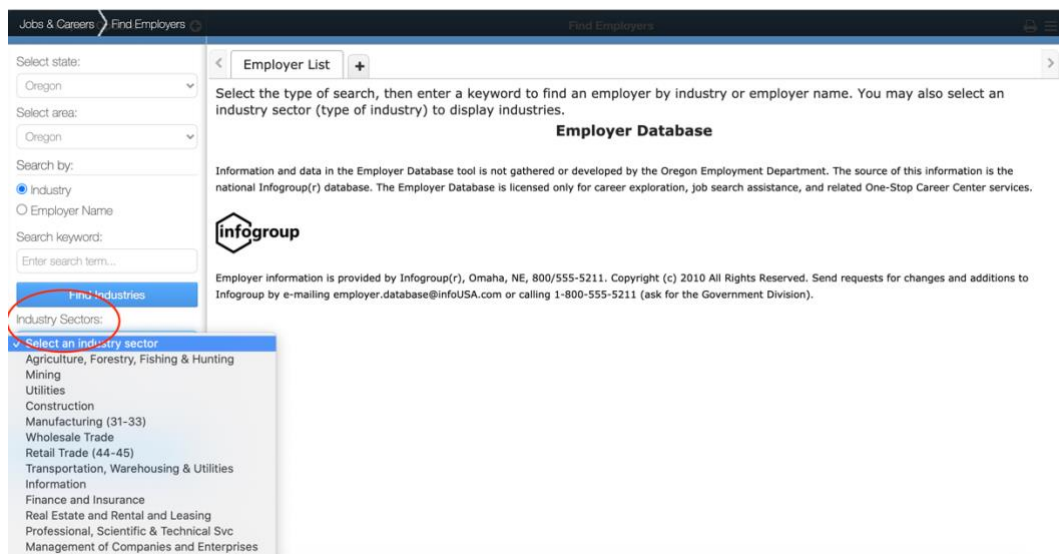

Not all opportunities are posted widely. It can be beneficial to directly reach out to employers about potential opportunities to serve their organization. Efforts can result in experiences that might not otherwise have existed.

You can use a keyword to search employers

Or you can search employers by industry

### Facebook Jobs and Groups

Use the search bar to type in a search (e.g. "Lincoln City Oregon jobs")

Not only will you find a listing of jobs, but if you scroll further down on the page, you will see some groups that have been formed.

Use these groups to connect with the community to learn about job openings and to let people know you are searching for specific opportunities. Someone in the group may give you a tip or even send you a private message.
