

Student Sign-up Agreement: Southern Oregon University Office of Career Connections provides various resources for employers, including job posting services, on-campus recruiting, event advertisement, and candidate search opportunities. To change your settings regarding Employer outreach, navigate to your Account Settings by selecting your name in the lower-left of the screen.

We facilitate these opportunities as they may be of interest to some members of our campus community; sharing information about these events, activities, or roles is not an endorsement of, or indicate campus sponsorship of specific employers or employment opportunities. It is the participant's responsibility to apply due diligence and exercise caution. Employers are required to adhere to our non-discrimination policy and ethical recruiting guidelines. If you have a concern about or want to report a violation of employer or recruiter conduct, please contact SOU Career Connections at careerconnections@sou.edu
