4. **Fill out the key details on the Employer Registration form.**

- Before registering for a career fair, students are searching through attending organizations by major, subject of interest, job openings, and other key details to find companies of interest.
- Think of this as your digital “Booth” and company “Banner.” Use this as an opportunity to make select information visible to students, add additional teammates by using the “Additional Contacts” functionality, and promote critical information about your brand and open opportunities.

All are welcome to attend our 18th Annual Engineering Career Fair! Come and meet with companies from various industries and locations remotely!

Remember to bring copies of your resume.

Engineering Career Fair
When: Wednesday, November 1, 2018
Time: 1:00 pm - 5:00 pm

This career fair hosts employers from various industries including technology, engineering, government, business, healthcare and pharmaceuticals, and non-profit.

- The fair is open to students and alumni of any major and frequently features full-time, part-time and internship opportunities.
- Career Fairs provide opportunities for students/alumni to learn about potential careers in industry sectors, network with prospective employers, and often submit resumes to prospective employers (Note: Some employers may require online submission of resumes and/or employment applications).
